PART 1: WRITING

“Humans lives are precious and unique; we should do everything to preserve them. We should stop interfering with nature because extinction is a natural part of evolution.”

“Many animals are disappearing because humankind has destroyed their natural habitats and caused other harmful effects. The disappearance of any species is tragic, and it's vital that we must help and stop this trend.”

Write an essay of approximately 250 words on the topic. The essay needs to consist of a short introduction and then you need to discuss both of these views. Give your own opinion in the conclusion.

You may use the blank paper provided for making notes, but make sure that your essay is neatly written in the space provided below.
