## PART 1 – WRITING

### TASK:

Australia has recently introduced a new law according to which children below sixteen years of age will be banned from using social media. What do you think about that? Will this result in something good or bad in the future? In which ways? Imagine the same type of law is suddenly introduced in Croatia and is in effect from this day on. How do you feel about it? Explain your viewpoint.

Use the writing guide to help you:

**Paragraph 1:** Start by expressing your thoughts on the situation and imagine what your feelings about the ban would be.

**Paragraph 2:** Discuss the effects the ban would have on your daily life. How different would it be? Explain why you believe that would be so.

**Paragraph 3:** Conclude by discussing the ways in which this ban might influence the lives of teenagers in the future.

The essay should be **between 180 and 200 words long.**

**Organise your writing in paragraphs. Do not forget to use formal English.**

**You may use the blank paper provided for making notes, but make sure that your essay is neatly and legibly written in the space provided below.**

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
