# What vision do I have of the post-Holocaust world in which my child will live?

Tswi Herschel

„I'm blessed with two grandchildren, Daniel and Jessica. Daniel is born at July 27th 2004 – 61 years after my parents were killed in Sobibor! At Daniel's circumcision feast I could be the proud godfather. Both of the children, Daniel and Jessica, are born Israelis. And so is the desire of my father Nico to be in Eretz Israel and to found there a family, finally fulfilled.”

A newspaper article from Ma'ariv about the immigration of Tswi and Annette Herschel, 21 October 1986.
