Mobile Learning Examples

Time broker / Time bank trader

QR code manager

Gamification

Gartner predicts over 70% of Global 2000 organizations will have at least one gamified application by 2014 ²

How it works

1

Watch videos & take tests

2

Unlock badges

3

Then...

Get your dream job
Get a promotion
Build an app
Launch your startup

```

Hey! Let's get to know each other. What's your name?

Type it with quotes around it like this "Ryan" and then press enter on your
keyboard.

> █

```

Learn to code

Codecademy is the easiest way to learn how to code. It's interactive, fun, and you can do it with your friends.

Get Started (it's free)

Learn with Friends

Keep tabs on your friends' progress and make sure you're learning more - faster!

Beginner
Getting Started
Time to become a coding ninja.

37% complete
3 of 8 lessons finished

Getting to Know You, Part I	See what you can do with programming!	Completed
Confirm or Deny	Alerting users and more.	Completed
Letters n' Strings	Learning what separates text from numbers and more	In progress
Editor and Arrays	The console's not the only game in town.	Not started

Track Your Progress

Start learning - and don't stop. See how fast you're learning and stay motivated.
