Umjetnost XX. stoljeća

Kubizam i futurizam

Svijet se miče, a umjetnost je nepokretna. Kako to izmijeniti?

Kružiti oko stvari kako bi ih se prikazalo - to je kubizam.

Prikazati stvari u pokretu - to je futurizam.

Ekspressionizam

Sa živim bojama i izobličenim oblicima, ekspresionizam pokazuje nasilje u svijetu.

Ta se umjetnička struja nameće krajem XIX. i razvija kroz čitavo XX. stoljeće.

Apstraktna umjetnost

Apstraktna je umjetnost koja se mogla identifikovati u Europi oko 1910. godine u umjetnosti.

- oblaci riječi / word clouds
- Java – potrebno instalirati
- nema registracije

Wordle is a toy for generating “word clouds” from text that you provide. The clouds give greater prominence to words that appear more frequently in the source text. You can tweak your clouds with different fonts, layouts, and color schemes. The images you create with Wordle are yours to use however you like. You can print them out, or save them to the Wordle gallery to share with your friends.
